## Private Lessons

### **Private lessons attached to a membership package**

Our pre-competitive and competitive membership packages have 3 or 7 private lessons per month. These lessons are typically given during our group classes. Students must show up to class on time in order to receive their lesson that day. If arriving on time is not possible please speak with a coach. A student may take more than the allotted 3 or 7 lessons in any given month. Those extra lessons will be banked as make-ups for when a student or coach must miss the private lesson. **No make-ups or credits will be given for missed lessons.**

Pre-Competitive and Competitive members may also arrange to have their lesson outside of class times. Students must arrange this time with a coach and are expected to keep to a regular schedule.

### **Private lessons not attached to a membership package**

We have very limited availability and typically only provide additional lessons for competitive members. Please contact Coach Audrey for an estimate
